else does. I think we ought to bring it back and have it do what Senator Marvel wants it to do. That's all I said. That's my whole involvement here.

SPEAKER: Senator George.

SENATOR GEORGE: Mr. Speaker, may I close or are there any other lights on?

SPEAKER: Senator Duis has his light on. Senator Duis.

SENATOR DUIS: Mr. President, I think Senator Cavanaugh wasn't in here close enough to understand what I was saying. What I was saying is, we probably should assist Senator Cavanaugh on his lobby bills in order to get this particular situation...I wish he would remain close enough so that he would know what I am saying here. I said absolutely nothing that would involve him in the way that he spoke back to me. I was merely saying that he has the lobby bills in here and that we might ought to strengthen these in order so that we wouldn't have situations. Thank you, Senator Cavanaugh, for the slight bow. So please understand what I have to say.

SPEAKER: My comment, Senator Duis, was that I didn't think that the lobbyist bill or the shield bill, which I am a little prejudiced on, had anything to do with returning this bill to General File or to Select File. Senator George, you may close.

SENATOR GEORGE: Thank you, Mr. Speaker and members of the body, Oh sweet smoke of rhetoric. Senator Chambers, that is a quote from Shakespeare. All I want to do with my motion is to bring the bill back from the Governor's office. I really don't care about all the discussions we had about lobbyists. I don't think they have anything to do with it, really, as far as I'm concerned. I want to thank the reporter who caught us. Maybe we were asleep and now we have an opportunity to bring it back and then we can discuss all the amendments. I want to assure Senator Marvel, again, I will support the original purpose of that bill but we do have to limit the bill. That's the whole purpose for bringing it back. I so move.

SPEAKER: The question is, shall LB 307 be returned from the Governor's office for a specific amendment? Record your vote. Have you all voted? Savage voting aye. Record the vote.

CLERK: Savage voting aye. 32 ayes, 3 nays, remainder not voting.

SPEAKER: The motion carries. The bill shall be returned.

CLERK: A motion on the desk. I remove to return LB 323 to Select File for a specific amendment. Signed Senator Rumery. The specific amendment is found on Page 1060 of the Legislative Journal.

SPEAKER BURBACH PRESIDING

SPEAKER: The Chair recognizes Senator Rumery.
